College of Arts and Science

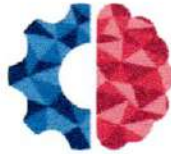

Affiliated to Bharathiar University & Accredited by NAAC
Jothipuram, Coimbatore-47.

Preamble

Set in a most salubrious environment with a lush green campus, Pioneer College of Arts and Science have been in service of young scholars for 23 years. Apart from education, emphasis on the wholesome development of a student is given utmost priority. With a robust sports program and an aggressive, accelerated development program on cards, this college is a must join on the agenda for many student athletes.

Having ties with a foremost environmental NGO, sustainability and giving back to nature and society with a responsible accountability, is a primary objective. And with an enviable list of advisors on our Trust Board, the students have no dearth for knowledge or exposure in various fields. Our Placement Counsellors, ensure that a plethora of potential employers are given access to our students. A great percentage of our students get employed with such exposure. Besides providing a holistic educational experience, emphasis is placed on affordability to ensure that all students of any socio-economic strata have a chance at being able to acquire this rich experience. We aim not just to nurture, but to inspire minds.

Vision

To build an ecosystem that encourages and guides students, faculty members, and the local community in their pursuit of entrepreneurship, innovation and successful start-ups and businesses.

Mission

To assist and nurture innovation and business skills among students, faculty members, and the local community in all possible ways.

Short-Term Objectives

- To strengthen the interactions between institutions and business and to direct their results toward fulfilling the mission.
- Assisting student team prototype their innovative ideas.
- To encourage the students and faculty members to identify problems, generate ideas, pitch ideas, and use innovative problem-solving techniques.
- To provide assistance with pre-incubation for faculty members and students' start-up businesses.

Long-Term Objectives

- To encourage academic and student participation in research and intellectual property rights (IPR)
- To offer students a place to make products that has a global market and may generate income.
- To support new business ventures by giving them the chance to go deeper into consulting work.
- To setup a Incubation centre.
- To establish the Center of Excellence with the top business partners to give the student community the chance to learn about the newest tools and technologies.
